Welcome to the
Rhino family!

It has been a difficult year for many of us, but we are privileged to be part of the gardening world, with all the green-fingered joy that it promises. We are so grateful that you have chosen to put your faith in gardening and your trust in our greenhouse. We hope that this gift, together with your Rhino Greenhouse, gives you inspiration in your garden and kitchen for years to come.

Keep safe and keep gardening.

The Rhino Team

"It's weathered every storm"

"Spending time in my greenhouse, watching
seeds grow into strong, healthy plants helps
me feel connected to the natural cycle of life
and rethink the true value of food."
